

## PRESS RELEASE

### **SB Specialty Metals LLC completes asset purchase of former Crucible Service Centers**

SB Specialty Metals LLC has completed its asset purchase from the former Crucible Service Centers. The new corporation has begun running its United States Service Centers as of January 29, 2010 (please see full list at bottom of press release). President Peter Gordon and Vice-Presidents Scott Devanna and Carl Bosley, all former Crucible Materials Corporation employees, will lead the new company.

“We are all very excited for the opportunity ahead of us. Our customers can expect to receive the same excellent service to which they are accustomed. We have already begun to replenish our inventories and will be able to service our customer needs better than we ever have before.” said Peter Gordon.

SB Specialty Metals Service Centers:

Arlington, TX

Auburn, MA

Butler, WI
